

## Mondoflex Performance

### MONDOFLEX PERFORMANCE - Texture

A Point Elastic flooring consisting of an anti-glare surface layer made from natural and synthetic rubber, finely embossed, coupled to an elastic substrate.

For official sporting events, the removable floor can be provided in sheet form, and is fixed to the subfloor using special adhesive tapes. Technical characteristics in accordance with EN 14904 standard. Certified flooring: [FIVB Approved Product](#).

- Excellent impact absorption
- Remarkable duration
- Embossed finish to ensure an adequate friction coefficient, for total playing comfort
- Surface properties guarantee ball bounce
