

INFRARED SAUNA CABIN [5951/8753] **SELL SHEET**

The perfect finish to the perfect workout is a relaxing sauna, for complete body recovery and rejuvenation. CRG Sauna Cabins are built with the latest technology, including our infrared emitters, achieving deep body heat penetration for a total body detox. Sauna controls use soft touch LCD screens and are easy to program. Our beautiful tongue and groove Aspen wood surfaces, paired with synthetic benches are highlighted with beautiful lighting fixtures.

Available in two or four person configurations.
