

Most competitors can only do red, amber & white. With ColorCast you have the choice of 15 LED colors to choose from. But with ColorCast Pro you have the ability to change colors on demand. Make your fans & players game experience unique to your school or team while having dynamic game updates for scoring changes, or even critical time awareness all with an app on your phone. ColorCast digit technology will bring your scoreboard to life with an infinite number of vibrant digit colors and dynamic fan engagement features.
